

Mid-Coast Kid's Consignment Sale Workers Agreement ~ Spring 2025

As a worker at Mid-Coast Kids Consignment Sale (MCKCS), I agree to work the hours I signed up for online. The software system will lock down all shifts (DISABLED) one week prior to the shift. Worker will provide any cancellations via e-mail notification before the disabled date or may lose future invitations to volunteer. If after the disabled date, an e-mail as soon as possible is preferred. However, a worker may send someone else in their place. **Worker agrees to not change or switch scheduled work shift later than 1 week prior to the first day of drop off.**

Worker agrees to perform the shift with NO CHILDREN (including infants in carriers), NO SHOPPING, NO ACCESSIVE SOCIALIZING to include cell phones. Worker will sign in/sign out as confirmation of completed the shift.

Worker will hold harmless and make no claim again MCKCS, any Consignor, Volunteer, Vendor, Customer or anyone associated with this sale. Worker will assume all risks that can occur including fire, loss, theft or damage of anything the worker brought to the event (non-reimbursable).

Worker agrees to waive any and all claims for personal injury or illness, including Covid-19 resulting from participation in the sale against MCKCS, any volunteer, consignor or paid participant of the sale.

If one or more shifts are worked, volunteer will have the registration fee waived (if consigning) and be given an opportunity to shop the pre-sale. If three shifts are worked, Rockstar volunteers will have the registration fee waived (if consigning) and be given to an opportunity to shop the Rockstar pre-sale time slot.

Volunteers are not allowed to bring a guest shopping on pre-sale night. Working at MCKCS is voluntary and workers will be classified as volunteers and not employees of MCKCS. You are bartering your time in exchange for early shopping privileges.

Workers that do not show up will **NOT** be allowed to volunteer at a future sale or shop the pre-sale. MCKCS and workers will keep contact information private and confidential. Violating this will cause the worker to be suspended from volunteering all future sales.

**by providing my cell phone number below, you consent to receive recurring autodialed SMS/MMS messages. No purchase required. Msg&data rates may apply. Reply HELP for help, STOP to end. I will be using text messaging to push out information on dates, times, & contests.
